

# Art With a Heart

Laurel Elementary has an exciting opportunity for students to participate in an after-school art program with the program *Art With A Heart*. *Art With A Heart's* mission is to enhance the lives of people in need through visual art. Since 2000, *Art With A Heart*, has made significant strides in neighboring communities where art is not offered or available by offering a foundation of hope, backed by compassionate staff and volunteers who generously invest their time and talents to help create meaningful art.

*Art With A Heart*, sponsored by the PTA, will be at Laurel Elementary on Wednesdays in January from 2:30-3:30pm. Activity buses will be available for bus riders. Walkers and YMCA students are also welcome to participate. There is room for only 35 students so please note that this program will only be offered on a FIRST COME FIRST SERVED basis. This program will be offered free of charge for LES students.

Please detach the bottom portion of this flier and submit it to your child(ren)'s teacher if you are interested by December 18, 2009.
